

Making Henrietta a better and healthier place to live...

July 10, 2008

Dear HFI Family and Friends,

Summer is a great time to enjoy all the Foundation has to offer: a walk on the Trail, a game of golf, or hitting a few balls at the driving range. Here's a short note about our most pressing news.

Calling All Gardeners!

Trail Garden Weeding Day

Anyone using the Trail can't help but notice the forest of weeds growing in the garden at the parking lot. What a mess! Well, we've scheduled a Trail Garden Weeding Day to restore the garden to its former glory. Come join the team on **Saturday, August 2 at 9 am** for a weeding frenzy as we tidy up this public garden. Bring your weeding tools, gloves, compost (to add tilth to the soil), any deer-proof plants you can contribute, and invite your friends and neighbors. Together, we can make quick work of it.

And if you can't come on that day...

New Trail Garden Club Formed

Dot Clause, who lives right next to the Trail's parking lot, has generously offered to chair the brand new Trail Garden Club, devoted solely to caring for the Trail's public garden. Many hands make light work, so please contact Dot if you are interested in joining the club! You can reach her at TrailGardeners@henriettafoundation.org.

Executive South Seeks General Manager

The Foundation is seeking a General Manager to join the staff of Executive South. Please contact Bill Dykstra at projectdirector@henriettafoundation.org for qualifications, job description, and more information about this paid position.

Bookkeeper or Accountant Still Needed

We still seeking a volunteer to assist our treasurer, John Schmitt, with the accounting

duties. If you or someone you know has a background in bookkeeping or accounting, please contact John at treasurer@henriettafoundation.org.

Next Meeting

Our next meeting is Tuesday, August 12 at 7 pm at Executive South. Extend an invitation to your friends to have them join you. We love to meet new people.

Don't forget to check our website, www.henriettafoundation.org for the latest news. It's updated regularly. See you in August!

*Sincerely,
Ann Stevens*
